V3 Soundtrack Mix - New Sounds For Korg Krome
64 Programs

Korg Krome Volume #3 - Soundtrack Mix - Kid Nepro's third release for Krome is now available! A great mix of new programs perfect for your next TV, video game or film project. Krome Soundtrack Mix contains 64 Programs.

Krome Soundtrack Mix includes tons of killer pads, spacy synth sounds and unique beats that will transport your Krome into new territory. Using Korgs excellent samples, multi fx and real time controls, we have created an assortment of different "atmospheres" that can be used as background to a video track and new age or spacy synth audio tracks.

All sounds were programmed with the modern controls from the latest Korg workstation to bring you an amazing collection of classic soundtrack mixes. All programs include ARP and Drum Track functions as well as control assignments to the Krome Joystick, SW1 & SW2 and User Knobs 1-4. The result is the best sound with the best modern controls that will inspire you to create amazing new music.

Krome Soundtrack Mix is perfect for your next studio project or live performance. Or if you just want to jam along, the cool ARP's and beats included on all Programs will have you jamming for hours!

Krome Soundtrack Mix is programmed by keyboard player, composer and sound programmer Steve Proto. Steve has been programming Korg synthesizers since 1985. He has produced sounds for nearly every synth workstation that Korg has released since then, including the Korg M1, 01W, Trinity, Triton, KARMA, M3 Series & Kronos workstations. Steve has created thousands of sounds for over twenty Korg synths over the past three decades. More info on Kid Nepro sounds at: www.kidnepro.com.
