U-G018	Flute	U-G041	M*Clarinet
U-G019	Double Reed	U-G042	M*Bassoon
U-G020	Clarinet	U-G043	M*Bass Clarinet
U-G021	Bassoon	U-G044	M*Trombone
U-G022	Bass Clarinet	U-G045	M*Tuba

Programming

Programs that begin with M* in the name are designed to emulate the Mellotron instrument. They are monophonic and include amounts of pitch variation as to simulate the imprecise playback of tape heads.

The other "high fidelity" programs were designed with player performance in mind. Playing lightly creates longer attacks and releases while more forceful playing brings out quicker attacks and release.

Knob #8	Controls depth of the reverb effect.
