

KApro proudly introduce their KORG KRONOS EXs116 Library

KApro EXs116 „Power Brass“

Die KApro EXs116 „Power Brass“ Library bietet Ihnen ein Sound-Set aus

- 41 Programs (einschließlich 14 Bonus-Programs),
- 45 Multisamples (davon 22 in Stereo) und
- 41 Wave Sequences zur Realisierung einer „Round Robin“-basierten, realistisch klingenden Tonerzeugung

für den KORG KRONOS.

Bläser sind in praktisch jeder Art von zeitgenössischer Musik zu finden, sei es Rock, Pop, Ska, Reggae, Soul, Funk, Jazz, Latin und vieles mehr. Kein Wunder, dass sich KORG KRONOS User markante Bläserklänge auch für ihr Instrument wünschen. Durch zahlreiche Anregungen unserer Kunden inspiriert, widmete sich KApro der Aufnahme einiger „Horn Sections“, bestehend aus Posaunen, Saxophonen und Trompeten, und präsentieren nun einen neuen klanglichen Leckerbissen, die KApro EXs116 „Power Brass“ Library. In dieser Sound-Bibliothek findet man drei verschiedene „Horn Sections“, jede in fünf verschiedenen Anblasstärken aufgezeichnet. Dazu gesellen sich typische Bläsereffektklänge, wie „Doit“, „Fall“, „Rip“, „Grace Note“, Sforzando und, natürlich, „Shake“.

„Möge die KApro EXs116 ‚Power Brass‘ Library mit Euch sein!“

Ein absolutes MUST HAVE für jeden KRONOS User!

KApro proudly introduce their KORG KRONOS EXs116 Library

KApro EXs116 „Power Brass“

The KApro EXs116 „Power Brass“ Library offers a sound set of

- 41 programs (including 14 bonus programs),
- 45 multisamples (thereof 22 recorded in stereo) and
- 41 wave sequences, implementing a “round robin” based realistic sounding and vivid audio reproduction,

for the KORG KRONOS.

Horn sections have been present in virtually every kind of contemporary music, be it rock, pop, ska, reggae, soul, funk, jazz, latin etc. No wonder that KORG KRONOS users have been longing for the spiffing sounds of horn sections in their instruments. Encouraged by many requests, KApro set out for recording such horn sections, comprising of trombones, saxes and trumpets, and prepared this fine sound library which presents three different horn sections, recorded at five different levels of loudness each, together with typical horn effects such as doit, fall, rip, “grace note”, sforzando and, of course, shake.

“May the KApro EXs116 ‘Power Brass’ Library be with you!”

An absolute MUST HAVE for every KRONOS user!
