

## **KApro proudly introduce their KORG KRONOS EXs118 Library**

KApro EXs118 „Istanbul Strings“

Die KApro EXs118 „Istanbul Strings“ Library bietet Ihnen ein Sound-Set aus 112 Programs, 5 Wave Sequences, 30 stereophone Multisamples, 1 Drum Kit und 10 Drum Patterns für den KORG KRONOS.

Orientalische Streichorchester haben ein unverwechselbares Flair. Schon der erste gespielte Ton versetzt uns in das zauberhafte Traumland aus Tausendundeiner Nacht, und wir erinnern uns an die wunderschönen Märchen der Scheherazade. Es ist keine Überraschung, dass orientalische Musik auch westliche Charts immer wieder mit beachtlichem Erfolg bereichert.

Während des diesjährigen Sommers hat KApro – nicht zuletzt bei einem längeren Aufenthalt in Tunesien – die Klänge orientalischer Streicher aufgenommen und daraus die brandneue KApro EXs118 „Istanbul Strings“ Library für den KORG KRONOS erstellt.

KApro dankt Erkan Ucar (ECOMusic) für die Anfertigung der Drum Patterns und Karim El-Far (Kelfar) für das Spielen einiger Demos und die Anpassung der Programme.

Lassen auch Sie sich verzaubern! Ein absolutes MUST HAVE für jeden KRONOS User!

## **KApro proudly introduce their KORG KRONOS EXs118 Library**

KApro EXs118 "Istanbul Strings"

The KApro EXs118 "Istanbul Strings" Library offers a sound set of 112 programs, 5 wave sequences, 30 stereophonic multisamples, 1 drum kit and 10 drum patterns for the KORG KRONOS.

Oriental string orchestras have a distinctive flair. The very first note played puts us in the magical dream land of the Arabian Nights, and we remember the wonderful tales of Scheherazade. It is no surprise that oriental music enriches western charts repeatedly with considerable success.

During this year's summer KApro has - not least at a longer stay in Tunisia - recorded the sounds of oriental strings and created our brand new KApro EXs118 "Istanbul Strings" library for the KORG KRONOS.

KApro wishes to thank Erkan Ucar (ECOMusic) for the provision of the drum patterns and Karim El-Far (Kelfar) for the recording of some demos and the "tweaking" of our programs.

Let yourself be enchanted! An absolute MUST HAVE for every KRONOS user!
