Please note the following so as to avoid any confusion regarding the Drum Kits:

The Q Up Arts Kronos libraries Denny Jaeger Private Collection and Heavy Hitters Greatest Hits both utilize Drum Kits. To conserve location space, the decision was made to assign the Drum Kits of both libraries to User-F. Denny Jaeger Private Collection Drum Kits are assign to User-F00 thru User-F02 whereas Heavy Hitters Greatest Hits kits are assign to User-F03 thru User-F15. If you load just one of the libraries, only the appropriate Drum Kits will have samples assigned. You can safely ignore the kits of the other library.
