

KApro proudly introduce their KORG KRONOS EXs29 Library

KApro EXs29 „Legacy 8 Bit Classics“

Die KApro EXs29 „Legacy 8 Bit Classics“ Library bietet Ihnen ein Sound-Set aus

- 128 Programs und
 - 193 Multisamples, davon 152 in stereo,
- für den KORG KRONOS.

In der zweiten Hälfte der 1970er Jahre entwarfen einige Hersteller bereits Konzepte, Klänge durch die rechnergestützte Echtzeitmodellierung aller Signalparameter zu erzeugen. Wegen der damals recht eingeschränkten Rechenleistung war diesen digitalen Konzepten allerdings wenig Erfolg beschieden. Die bahnbrechende Idee, aufgezeichnete Klänge zur Grundlage einer neuen Klangerzeugung zu machen, aber ließ sich bereits umsetzen. Die verblüffenden musikalischen Möglichkeiten lösten weltweit enorme Begeisterung aus. Und so entstand im Jahre 1979 der erste Digitalsampler der Welt, der mittlerweile legendär ist. Mit der neuen KApro EXs29 „Legacy 8 Bit Classics“ Library bringt KApro eine Auswahl bekannter Klänge dieses legendären Instruments sowie von dessen Nachfolgern.

Erhaschen Sie den KApro-Spirit mit der EXs29, ein absolutes MUST HAVE für jeden KRONOS User!

KApro proudly introduce their KORG KRONOS EXs29 Library

KApro EXs29 "Legacy 8 Bit Classics"

The KApro EXs29 "Legacy 8 Bit Classics" Library offers a sound set of

- 128 programs and
- 193 multisamples, thereof 152 recorded in stereo,
for the KORG KRONOS.

In the second half of the 1970s, some manufacturers started with the concept design of the digital sound generation by the real-time modelling of virtually all signal parameters. At that time, such a concept, however, was allotted little success due to the rather limited computing power. Luckily, the pioneering idea to make digital recordings the basis for the creation of musical sounds could be implemented by then. The amazing musical possibilities triggered tremendous enthusiasm all over the world. And so the first digital sampler was born in 1979. Meanwhile, this instrument has become a legend. With the new KApro EXs29 "Legacy 8 Bit Classics" Library KApro offers a selection of well-known sounds of this legendary instrument and of its successors.

Catch the KApro spirit with the EXs29, an absolute **MUST HAVE** for every KRONOS user!
