EXs53 KARO Scores & Textures für KORG KRONOS ©

KARO hat sich als Sound-Entwickler für den OASYS einen Namen gemacht: klassische Sounds und Collections für Film-Musik waren hier das Thema.

KARO ergänzt nun seine Arbeit mit der Entwicklung der neuen KARO Scores & Textures Library. Die Scores & Textures versorgt Sie mit Sound-Effekten und Klangmaterial, die Ihnen helfen sollen, atmosphärische Hintergrund-Klänge zu erzeugen.

Alle Einsatzmöglichkeiten sowohl im Studio als auch live sind denkbar und erhöhen dabei die Film-Anforderung auf ein höchstmögliches Maß - manchmal erinnern sie z.B. an Soundvorstellungen, die aus Science Fiction-Filmen bekannt sind.

EXs53 KARO Scores & Textures for KORG KRONOS ©

KARO have been well-known as sound developer for the OASYS when it comes to classical and movie sound collections.

KARO now complement their work by designing the new KARO Scores & Textures Library. The Scores & Textures provides you with sound effects and textures which help you creating an atmospheric background for any type of studio or live performance, enhancing movie scores to the finest, sometimes reminding you of, e.g., science fiction movie scores.
