EXs63 KARO Sophisticated Grooves II für KORG KRONOS ©

Der KORG KRONOS ergänzt beide Programs und Combinations mit der gleichzeitigen Erzeugung von Drum Grooves durch die Verwendung der "Drum Patterns"-Funktion. Mittels dieser zweiten KARO Sophisticated Grooves II Library, versuchte KARO das Feeling eines Live-Schlagzeugers einzufangen.

Aus diesem Grunde baten wir unseren lieben Kollegen Max Mury - ein großartiger Drummer "Out of Mannheim"- für uns zu spielen und seinen Spielstil aufzunehmen.

Desweiteren nahmen wir ein neues Drum Set im Studio unseres Freundes Tom Weitzel auf. Die Sophisticated Grooves II versorgt Sie mit 133 Drum Patterns.

EXs63 KARO Sophisticated Grooves II for KORG KRONOS ©

The KORG KRONOS complements both programs and combinations with the simultaneous generation of drum grooves by the use of the "drum patterns" feature. With this second KARO Sophisticated Grooves library, KARO tried to capture the feeling of a live drummer.

Therefore, we asked our dear colleague Max Mury, a great drummer "out of Mannheim", to play for us and allow us to record his playing style.

Furthermore, we recorded a new drum set in our friend, Tom Weitzel's, studio. The Sophisticated Grooves II presents you with 133 drum patterns.

Program User C: (Almost all the programs of User C: make use of a new drum kit sampled by KARO.)
