EXs68 KARO Tape Instruments III für KORG KRONOS ©

KARO erweitert ihre Tape Instruments I+II EXs Libraries mit der letzten auf Bandmaterial basierenden Library, der Tape Instruments III.

Auch dieses mal haben wir, sehr selten verwendete Bänderrahmen mit neuen, exotischen Klängen wie zum Beispiel Orchestra 1 - 3, Marimba Tremolo, Hawai Gitarre und viele weitere interessante Sounds gesampelt.

Es wurde wie zuvor jede einzelne Note, der 35 Tasten über 8 Sekunden aufgenommen um die Authentizität zu wahren.

EXs68 KARO Tape Instruments III for KORG KRONOS ©

KARO complement their Tape Instrument I+II EXs Libraries with the last library based on tape material, the Tape Instrument III.

We used very seldom tape frames with new, exotic sounds as for example Orchestra 1 - 3, Marimba tremolo, Hawai guitar and many other interesting sounds.

As usual every single note was recorded over a range of 35 keys for 8 seconds, taken up around the authenticity.
