

KApro proudly presents the KORG KRONOS KRS73 Library

KRS73 KApro "Transistor Organs"

Die KApro "Transistor Organs" Library bietet Ihnen ein vielfältiges Sound-Set aus 128 Programs für den KORG KRONOS.

KApro stellt der bereits bekannten KRS71 „Classic Tonewheels V2“ Library die KRS73 "Transistor Organs" Library zur Seite und ergänzt damit die „Tonewheel“-Sounds um die klangliche Vielfalt der Transistororgeln. Namhafte Transistororgeln wurden in einem speziellen Analyseverfahren ausgiebig erforscht. Unsere Resultate waren die Grundlage für eine sorgfältige HD1-basierte Klangmodellierung im KORG KRONOS. Das Ergebnis liegt nun in unserer KRS73 "Transistor Organs" Library vor. Wir sind sicher, dass Liebhaber elektronischer Orgeln mit der KRS73 "Transistor Organs" Library voll auf ihre Kosten kommen.

Die KApro KRS73 "Transistor Organs" Library ist ein absolutes MUST HAVE für jeden KRONOS User!

KRS73 KApro "Transistor Organs"

The KApro "Transistor Organs" Library offers a varied sound set of 128 programs for the KORG KRONOS.

After presenting the KRS71 "Classic Tonewheels V2" Library, KApro introduces the KRS73 "Transistor Organs" Library and thus complements the "tonewheel" sounds by the sonic diversity of transistor organs. Renowned transistor organs have been studied extensively in a special analysis method. Our investigations formed the basis for a thorough HD1 based sound modeling in the KORG KRONOS. The result is now available in our KRS73 "Transistor Organs" Library. We are certain that lovers of electronic organs will get their money's worth with the KRS73 "Transistor Organs" Library.

The KApro KRS73 "Transistor Organs" Library is an absolute **MUST HAVE** for every KRONOS user!
